Sanctity
OF HUMAN LIFE
Sunday

SUNDAY,
JANUARY 22, 2023

www.cpcforlife.org

For nearly 50 years, a key reason for celebrating Sanctity of Human Life Sunday was to remind people—in view of the Supreme Court’s *Roe vs Wade* pro-abortion decision—of what is unshakably true: that human beings are created by God, in His image, to be in a loving relationship with Him.

In these post-Roe times, we recognize our mission to proclaim the gospel and champion the sacredness of human life is far from finished. The voices that champion abortion seem to roar louder with each passing election, and confusion about the intrinsic value of humanity abounds. So what is God calling us to do?

“Enlarge the space of your tent, stretch your tent curtains wide, do not hold back, lengthen your cords, strengthen your stakes.” Isaiah 54:2

- **Enlarge the space of your tents...**We believe He’s calling us to grow. With 5 locations, we are poised to meet more clients than ever before.
- **Lengthen your cords...**We’re excited about the partnerships in our communities so we can showcase the generous heart of God to draw more people to Him.
- **Strengthen your stakes...**We believe God wants to have a deeper impact in peoples’ lives through our ministry.

We trust you will see these times as a momentous season in our nation. Roe has fallen, and God is on the move. Despite the opposition, He is not shrinking back and neither are we.
