

TIME

FLIES

CROSSROADS PREGNANCY CENTER
2019 ANNUAL REPORT

FROM THE DIRECTOR

Looking back over the time between when Crossroads Pregnancy Center first began to where it is now, I am amazed.

On March 19, 1985, the first office of Crossroads opened in Lewistown. Staffed by all volunteers, this ministry hit the ground running. We offered self-administered pregnancy tests with options counseling and post-abortion services. That year there were 105 visits with clients.

I've been a part of this journey with Crossroads since October of 2002 and the time has passed by so quickly. It is such a joy to see a new mother, who first came to us seeking an abortion, look into the eyes of her precious newborn baby with such love and peace. It is a great honor and privilege to watch a client go from lost to found through the course of their time with us as we share the love, hope, and truth that Jesus brings. I have been a witness to the fruits of what began as a thought after a Bible study one night in 1983 to the wonderful, far-reaching ministry it is today. Our four locations now serve three counties of central Pennsylvania. In 2019, there were 1,689 visits with clients.

With all the initiatives we have at present, which you can see listed in this report, we are reaching out to a world that needs help, hope, and healing now more than ever. We have the opportunity to be the hands and feet of Jesus in practical ways to people, some of whom may never step inside the doors of a church. God is doing a great work at Crossroads through our staff, volunteers, and friends of the ministry—all made possible because of your financial support. All of the donations we receive are handled with great care and integrity. I want to personally thank each of you who has partnered with us to make this life-saving ministry possible.

No matter how quickly time flies for us, Jesus is the same yesterday, today, and forever.

Thank you!

A handwritten signature in cursive script that reads "Cindy Mansberger".

Cindy Mansberger,
Executive Director

MISSION & VISION

Our mission is to provide Christ-centered counseling and educational services with regard to abortion alternatives, pregnancy, post-abortion healing, parenting, and sexual integrity—empowering individuals to make choices that cherish every human life.

Our vision is to be a trusted, first option for those facing pregnancy decisions.

ALL IT TAKES IS THREE HOURS

Three hours shifts, once per week, is the average shift for one of our client advocate volunteers. In 2019, 1,264 hours were put in while volunteers gave their time in cleaning our offices, providing client advocacy and peer counseling (pictured above), and throwing LAMB showers (pictured page 5). Others worked behind the scenes as members of our Board of Directors and church liaisons. Our volunteers aren't just helpers, they are vital partners. So, whether your gift is administrative, listening and encouraging, fundraising, or maintenance—you name it—there might just be a place for you here. Become a part of what God is doing through Crossroads! Contact our Development Director, Brenda at 814-643-3570, to find out more.

"The Apostle John reminds us in Revelation 1:3 that "Blessed are those who read, hear, and do the things written in God's Word, for the time is near." The time that is near is the soon return of our Lord. Thank you to everyone who supports Crossroads with your prayers, time and finances. As time flies by so quickly, let's redeem it for the Lord."

Dennis Allison, Chairman of the Board of Directors of CPC

OUR HISTORY

2002
Abstinence Division

2005
First Bridges Classes

SERVICES

Since Crossroads inception, we have added many client initiatives like those you see listed here:

- Medical Clinic- Providing Pregnancy Testing, Ultrasounds, STD testing & treatment.
- BRIDGES Program - an "earn-while-you-earn" educational program providing material needs.
- Education on Sexual Integrity
- Men's Program
- Post-Abortion Healing
- Bible Studies
- Reaching Destinations - Sexual Risk Avoidance (Abstinence) education to our local schools and youth groups.
- Referrals to other community agencies and organizations

TIME TO TIE THE KNOT

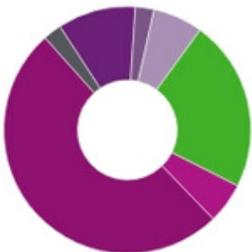

A woman scheduled an ultrasound last year, and as often happens, she brought the father of her baby along to the appointment. After sharing about our BRIDGES earn-while-you-learn program, they enrolled. As they continued to meet with our Client Services Director (CSD), they talked about the future and what their thoughts on it were. The CSD explained that it is healthier for both their child and relationship to be married versus cohabitating. Later that next month, they were engaged! Statistics have shown relationships are happier and longer-lasting with a marriage commitment and that children feel more secure and loved with married parents.

The couple was married in November and their baby was born a few months after that. We were able to give them a LAMB shower along with a local church. And they earned the crib with a mattress, a car seat, pack-n-play, diapers, and clothing while attending the BRIDGES appointments. They still come with their baby to keep earning diapers and learning to be better parents and build a stronger family.

MARITAL STATUS STATISTICS

Clients' status on intake

● Cohabiting	10.2%	● Divorced	2.4%
● Engaged	6.5%	● Married	22.4%
● Separated	5.3%	● Single	50.6%
● Unknown	2.4%		

"I would've been lost without Bridges. Being a mother for the first time, I had no idea what I was doing. These classes are medically sound and not someone's opinion. I love BRIDGES."

- Zoe, Client who still attends BRIDGES with her baby girl.

MINISTRY HIGHLIGHTS

1,151 Christ-centered discussions were shared with 196 individual clients.

Shared the gospel: 24 visits

Decisions made: 2

Welcomed new board and staff members

This year the position for Development Director was finally filled. The Development Director's job is to raise awareness and interest within the community so that others will prayerfully partner with Crossroads. We are very happy to have Brenda Covert as the newest addition to our team.

Baby Bottle Boomerang had a record year reaching \$90,361.62.

2020 GOALS

Father's Initiative

Our goal is to make strides with our men's program. To improve and expand our reach to the father's in our community.

IT'S TIME!

We made our announcement at the 2019 Banquet about our desire to bring our medical clinic to Mount Union. To do this we had to look for a suitable building. After much prayer and seeking we have now purchased a new location at 119 S. Division Street. We are so excited to be able to provide these services, along with all the other great services we offer to those in Mount Union. If you would like to partner with us in this endeavor, please contact Brenda at 814-643-3570
